**ADMINISTRATIVE LAW JUDGE'S RULING  
MODIFYING THE SCHEDULE FOR TRACK 1 OF THE 2022  
RENEWABLES PORTFOLIO STANDARD PROCUREMENT PLAN**

On April 11, 2022, an Assigned Commissioner and Administrative Law Judge's Ruling Identifying Issues and Schedule of Review for 2022 Renewables Portfolio Standard Procurement Plans and Denying Joint IOUs' Motion to File Advice Letters for Market Offer Process adopted the following schedule for Track 1 of the 2022 RPS Plans.

PROCESS DETAILS	DATE
Track 1 - Investor-Owned Utilities (IOUs) jointly file Market Offer process as part of Voluntary Allocation and Market Offer (VAMO) pursuant to Decision (D.) 21-05-030	May 2, 2022
Track 1 - Comments on Market Offer Process	20 days from the Joint IOU proposal on Track 1 Market Offer Process
Track 1 - Reply Comments	Within 5 days after the last day for filing comments
Track 1 - Proposed Decision on Market Offer Process	Quarter 3, 2022

On April 15, 2022, Pacific Gas and Electric Company, on behalf of itself and behalf of Southern California Edison Company and San Diego Gas & Electric Company (Joint IOUs) via e-mail to the assigned Administrative Law Judges, requested to modify the procedural schedule for Track 1 of the 2022 Renewables Portfolio Standard (RPS) Procurement Plan (Request).

In the Request, the Joint IOUs seek an extension in the Track 1 schedule to separately file Confidential Market Offer Process information pursuant to D.21-05-030 and separate Motions to Leave to File Under Seal Confidential Market Offer Strategies.

Pursuant to Rule 11.6 of the Commission's Rules of Practice and Procedure, the Joint IOUs report that no party opposed the Joint IOUs' extension request. The Public Advocates Office of the California Public Utilities Commission offered conditional support for the extension request, based on which the Joint IOUs proposed a modified schedule.

Good cause shown, the Request for the proposed extension of the Track 1 schedule of the 2022 RPS Procurement Plan to allow the separate, confidential submissions of the Joint IOUs' respective confidential plans is granted.

This ruling modifies the Track 1 schedule of the 2022 RPS Procurement Plan as follows. All other dates remain unchanged.
